The New Hampshire Forum on the Future

An alliance of higher education, business, and policy leaders

The **New Hampshire Forum on the Future**, formed in 2005, brings a sharp focus to the variety of forces shaping the State of New Hampshire. The Forum convenes together leaders in higher education, business and public policy to examine information on the New Hampshire economy, business climate, education, government, environment, energy, technology, demographics, culture, news media, etc. In effect, The Forum is serving as a cornerstone for examining the issues and trends in each of these areas and asking key questions, including how we can best prepare for our collective future.

Relevant Actions and Initiatives:

- Breakfast Series highlighting emerging NH trends, challenges and opportunities
- Website at www.nhfuture.org
- Electronic newsletter, "Future Notes"
- Advisory Committee of prominent NH citizens
- Regional Forums to identify common and diverse priorities across New Hampshire

The **New Hampshire Forum on the Future** is managed by the New Hampshire College & University Council (NHCUC) in collaboration with the New Hampshire High Technology Council (NHHTC), and the New Hampshire Center for Public Policy. The NHCUC, a 501(c)3 serves as the fiscal agent for The Forum.
