“The New NH Legislature”

Tuesday, April 3, 2007

8:00-9:30am

C.R. Sparks Event Center, Bedford, N.H.

The 2006 elections created NH history when two outstanding women – State Senator Sylvia Larsen and State Representative Terie Norelli – were chosen by their peers to lead both chambers of the New Hampshire Legislature. Although there has been a change in control of the legislature from Republican to Democrat, many of the issues are the same. Will these veteran leaders and the Democratic majority handle them differently?

Our speakers will give us a briefing on where things stand as of April, will outline some of the major challenges/opportunities confronting New Hampshire, and what it means for the future of the Granite State.
