## **NH 2006 Election Analysis What Happened and Why**

**Thursday, Nov. 9th  
8:00am to 9:30am  
Analysis and Breakfast  
C.R. Sparks, Bedford, NH**

### **Speakers:**

**Andrew Smith**, Director, UNH Survey Center

**Tom Rath**, Republican Party National Committeeman for NH

**Joe Keefe**, former NH Democratic State Chairman

The 2006 elections are over, but there are stories to tell about what happened and why. Given the issues of education funding and eminent domain in NH, and the issues of Iraq and certain congressional conduct at the national level, the election results give us a look at the mood of the state and the country on the issues. The election is also a preview of what we might expect in the 2008 NH Presidential Primary. Our speakers are among the best in their ability to sift through the results and give us a candid analysis of what the election means for our state and nation.
