Wednesday, May 14, 2008

8:00-9:45 am

The Event Center at CR Sparks, Bedford, NH

“ROADTRIP NATION” comes to NH to show NH CEOs and college students how they masterminded a national movement to speak with CEOs of some of America's most successful companies from Maine to California. Their goal? To discover what led successful professionals down the road to success and the corner office. Founders Mike Marriner and Nathan Gebhard loaded themselves and other graduating college students on a green RV and drove 15,000 miles across the US to keep their hard-won appointments.

Some of NH's own successful CEOs will join Mike and Nathan to mix it up on their hiring of college graduates and young workers.
