NEW HAMPSHIRE FORUM ON THE FUTURE

An alliance of higher education,
business, and policy leaders

The **New Hampshire Forum on the Future**, formed in 2005, brings a sharp focus on the various forces shaping New Hampshire. The Forum convenes leaders from higher education, business and public policy to examine information on the New Hampshire

economy, business climate, education, government, environment, energy, technology, demographics, culture, and media. In effect, The Forum serves as a cornerstone for examining the issues and trends in each of these areas and asks key questions, including how we can best prepare for our collective future?

RELEVANT ACTIONS AND INITIATIVES:

- Breakfast Series highlighting emerging NH trends, challenges and opportunities
- Website at www.nhfuture.org
- Electronic newsletter, "Future Notes"
- Advisory Committee of prominent NH citizens
- Hosts a NH Reception prior to the Annual New England Council Dinner in Boston

The **New Hampshire Forum on the Future** is managed by the New Hampshire College & University Council (NHCUC).
